

Issue date: March 12, 2002

Case No.: 2002-TLC-2

In the Matter of:

THE BERRY-TAISHAN FARM, LLC,
Employer,

v.

**REGIONAL ADMINISTRATOR, EMPLOYMENT
AND TRAINING ADMINISTRATION, DALLAS, TEXAS,**
Respondent.

ORDER OF DISMISSAL

On February 27, 2002, this office docketed Employer's request for expedited *de novo* review of alleged stonewalling of H-2A labor certification applications by the Regional Administrator. Because there apparently had not been a final decision rendered by the RA to deny labor certification, an order was issued directing the parties to brief the authority of the Office of Administrative Law Judges to entertain an appeal in this matter. *See generally* 20 C.F.R. §§ 655.106(d), 655.112.

On March 8, 2002, Employer's counsel faxed to this office a letter withdrawing the request for administrative review. Accordingly,

IT IS ORDERED that the above-captioned matter is hereby **DISMISSED**.

Chief Administrative Law Judge
