**ORDER OF DISMISSAL**

By motion dated November 12, 1998, Petitioner Hanford Atomic Metal Trades Council has submitted a Notice of Withdrawal of Motion for Summary Reversal and Appeal. We treat the filing as a motion to dismiss.

In the Notice and its attachment, Petitioner indicates that it does not at this time seek an adjudication of the Acting Administrator's final ruling letter dated October 23, 1998, but instead has requested additional reconsideration directly from the Acting Administrator. Petitioner requests dismissal of its petition without prejudice.<sup>1/</sup>

For good cause shown, the Petitioner's motion is **GRANTED**, and this petition is dismissed without prejudice.

**SO ORDERED.**
