CASE NO. 2015-FRS-00025

In the Matter of

TREVOR L. KOOP,
Complainant,

v.

**SOO LINE RR D/B/A CANADIAN
PACIFIC,**
Respondent.

ORDER APPROVING SETTLEMENT AND DISMISSING

The parties have settled this Federal Rail Safety Act case voluntarily. They filed proposed settlement papers for review and approval on October 9, 2015. I disapproved the proposed papers without prejudice on October 20, 2015. The parties filed a revised settlement agreement for review and approval on November 23, 2015.

Some language in the revised settlement agreement extends to claims beyond the scope of the Act. I limit my review to the Federal Rail Safety Act claim only; anything beyond that exceeds this Office's jurisdiction.

The proposed settlement agreement is fair and reasonable as to the claim under the Federal Rail Safety Act. It adequately protects Complainant, and none of its terms is against public policy. The proposed settlement is therefore APPROVED, and the parties are ORDERED to comply with its terms. *See* 29 C.F.R. § 1982.111(d)(2). This matter is DISMISSED.

SO ORDERED.
