CASE NO.: 2012-LCA-00012

*In the Matter of:*

ADMINISTRATOR, WAGE AND HOUR DIVISION  
OF THE DEPARTMENT OF LABOR,  
Prosecuting Party,

vs.

JUNGLE COMMUNICATIONS, INC.,  
Respondent.

**ORDER DISMISSING HEARING REQUEST**

This matter is currently scheduled for hearing on March 8, 2012, in San Francisco, California. On January 25, 2012, the parties submitted a stipulation requesting that the hearing request filed by Respondent on December 5, 2011, be dismissed. The stipulation alleges that Respondent did not intend his December 5, 2011, letter to be a request for hearing, particularly since it was sent before the Administrator issued its Determination Letter to Respondent on December 9, 2011. All parties signed the stipulation.

Having reviewed the submitted stipulation, and for good cause shown, the hearing request is withdrawn. The hearing date is vacated. This matter is closed.

SO ORDERED.
