On May 7, 2014, the undersigned issued a Decision Approving Settlement and Order of Dismissal in the above-captioned cases. In the aforementioned Order, the above-captioned cases were erroneously dismissed and this erratum serves to correct the Order to reflect correction of that error as follows:

- b. The final paragraph on page 3 is amended to read as follows:

The agreement of the parties' stipulating to conditions of use as set forth in their Consent Order in lieu of the Assistant Secretary's conditions Nos. 7 and 19 has

been carefully examined by the undersigned and it is approved based upon the agreed findings set forth therein.

- c. The paragraph titled 'Order' is amended to omit reference to dismissal of the claims and is corrected to read as follows:
