Case No. 2004-OFC-00002

ORDER APPROVING CONSENT DECREE

This case was brought under 41 C.F.R. Part 60-30 by the Office of Federal Contract Compliance Programs of the U.S. Department of Labor against the Nordam Group alleging violations of Executive Order 11246 as amended. The parties have resolved this matter through a *Consent Decree* under which the defendant will pay a total of \$215,000 to a class of 273 women who applied for utility worker positions in the year 2000 but were not hired, and hire 32 members of this class in utility worker positions. The *Consent Decree* meets the requirements set out in 41 C.F.R. §60-30.13. Therefore,

IT IS ORDERED that the Consent Agreement is approved.
