DECISION AND ORDER DENYING MOTION FOR RECONSIDERATION

On April 29, 2016, I issued a Decision and Order Affirming Prevailing Wage Determination in this case. On May 9, 2016, the Employer, through counsel, submitted its Motion for Reconsideration. For the reasons set out in my April 29, 2016, Decision and Order and the Employer's failure to set forth any substantiated grounds for reconsideration;

IT IS THEFORE ORDERED that the Motion for Reconsideration is **DENIED**.
