In the Matter of

SCOTT O. JOHNSTON  
Complainant

v.

LITTELFUSE, INC.  
Respondent

Case No. 2004-SOX-00047

**ORDER APPROVING SETTLEMENT**

On December 18, 2004, the parties informed me that they had reached a settlement in this case, and subsequently faxed their signed assents to the agreement to me. Since both parties are represented by counsel, there is a presumption that it adequately protects their interests; and since I have not heard the case, the parties are in a much better position to make that determination than I am. Further, the settlement appears to be in compliance with the law and not against public policy. Accordingly,

IT IS ORDERED that the settlement agreement is approved, and the case is dismissed with prejudice.
