In the Matter of

CLAUDE B. POWELL
Complainant

v.

ECLIPSYS CORPORATION
Respondent

Case No. 2006-SOX-00109

ORDER APPROVING SETTLEMENT

A hearing in this case scheduled for June 12, 2007, was cancelled based upon the parties' representation that this matter had been resolved. On June 26, 2007, I received a fully executed settlement agreement resolving both the claimant's case and claimant's counsel's fee for representing him in this case. Since both parties are represented by counsel, who are in a much better position than I am to determine the adequacy of the settlement, and the settlement seems to be in compliance with the law and not contrary to public policy,

IT IS ORDERED that the settlement agreement is approved.

Finally, the parties have designated the settlement agreement as confidential commercial information in accordance with 29 C.F.R. §70.26.
