Case No.: 2012-STA-00034

In the Matter of

ALFRED G. STEIN

Complainant

v.

LOGISTICS ONE TRANSPORTATION INC.

Respondent

**FINAL ORDER APPROVING SETTLEMENT AGREEMENT;
AND DISMISSING CASE**

This matter involves a complaint under the employee protection provisions of the Surface Transportation Assistance Act of 1982, found at 49 U.S.C. § 31105 (formerly 49 U.S.C. § 2305), and its implementing regulations, 29 C.F.R. Part 1978. The parties are not represented by counsel.¹

A session of hearing was held on September 5, 2012, in New York City. A second session of hearing was scheduled for November 28, 2012. On the date of the second session, the parties reached a settlement of this matter. The parties' settlement agreement was discussed on the record, before me. I approved the parties' settlement, and directed the Complainant to inform me by letter when the Respondent had performed its obligations, pursuant to their agreement.

By letter dated December 6, 2012, the Complainant informed me that the Respondent had fully performed its obligations under the agreement. As discussed by the parties on the record, in consideration of the Respondent's performance under the terms of the Agreement, the Complainant has agreed to withdraw his claim. The Complainant also agrees that his past employment with the Respondent will not give rise to any new claim for relief, in any forum.

I have reviewed the parties' settlement agreement. I find that the provisions of the parties' agreement are fair and adequate and are not contrary to the public interest. Therefore, as

¹ By Order dated November 1, 2012, I approved the Respondent's counsel's request to withdraw from representation.

requested by the parties, and as required under 29 C.F.R. § 1978.111(d)(2), I APPROVE their settlement.

Accordingly, and based on the Complainant's withdrawal of his complaint pursuant to the parties' agreement, I DISMISS this matter.

SO ORDERED.
