CASE NUMBER 2005-TLC-00020

In the Matter of

**APPLICATION OF ABC TREE FARMS, LLC,
FOR TEMPORARY LABOR CERTIFICATION.**

ORDER OF DISMISSAL

On October 4, 2005, the above-captioned employer was notified that a *de novo* hearing concerning the employer's application for an H-2A temporary labor certification would be held in Portland, Oregon, on October 7, 2005. Following the issuance of that notice, the Employment and Training Administration decided to grant the certification and the employer therefore withdrew its request for a *de novo* hearing. Accordingly, the hearing that had been scheduled to be held on October 7, 2005 is hereby cancelled and this matter is hereby dismissed.
