**ORDER OF REMAND**

These consolidated matters were scheduled for hearing on January 30, 2014, by telephone. (After the phone conference scheduling the conference, I consolidated cases -00029 through -00039 with the previously-consolidated cases). By letter transmitted via email and fax on January 30, 2014, counsel for the Certifying Officer requests that these matters be remanded for further processing, given a recent decision in a case dealing with the same issue. On January 30, 2014, my law clerk confirmed with counsel for Employers that he agrees with the remand request.

WHEREFORE, the above considered, these consolidated matters are remanded to the Certifying Officer for further processing. The hearing previously scheduled for January 30, 2014, is cancelled.

**SO ORDERED.**
