REMAND ORDER

On October 1, 2014, I approved a requested time extension setting a deadline of October 17, 2014 for the submission of briefs regarding the issues in this case. On October 9, 2014, I received a motion for remand which indicated the Certifying Officer has determined that the Employer's H-2A application for labor certification should be remanded for additional processing. The Employer has no objection to the remand request. Considering the stated basis for the request, a remand is appropriate. Accordingly, I remand this case to the Certifying Officer for administrative processing and disposition.

SO ORDERED:

RICHARD T. STANSELL-GAMM
Administrative Law Judge
