Dismissal Order

An initial prehearing conference was held by telephone on July 30, 2015. No stenographic record of the conference was made. At the conference the parties agreed to the following:

1. The National Processing center will receive a new application from Brazos; its date of need will be 45 days from the date that new application is filed, and
2. The request for de novo review of the current application filed is withdrawn.

Due to the withdrawal, the Certifying Officer's denial of July 17, 2015 becomes the final order of the Secretary of Labor on the current application.
