In the Matter of:

Roaring Springs Ranch Inc.,

Employer.

Before: Richard A. Morgan

Order of Remand

On July 27, 2015 the above captioned case was assigned to the undersigned for review pursuant to the Employer's request for expedited administrative review of its H-2A application for a temporary "Ranch Worker." A Final Denial notice had been issued by the Employment and Training Administration Certifying Officer by letter dated July 22, 2015 in regard to this matter.

By letter dated July 24, 2015, (received by the undersigned on July 27, 2015) Attorney Stephen R. Jones of the Office of the Associate Solicitor for Employment and Training, indicated that the Certifying Officer had received the documents necessary to resolve the deficiencies that formed the denial of the certification, which had given rise to this appeal. Accordingly Attorney Jones requested that the case be remanded to the Chicago National Processing Center so that the Certifying Officer could complete the processing of Employer's application. He also indicated that Employer's representative had been notified of this request and supports this action.

Having considered the foregoing, it is hereby ordered that this case be remanded to the Chicago National Processing Center for further action.
