*Employer.*

Certifying Officer: Chicago National Processing Center

Before: LARRY A. TEMIN

**ORDER OF REMAND**

This H-2A temporary labor certification matter was assigned to me on February 5, 2021. On February 19, 2021, the Employer filed an Unopposed Motion for Remand. The motion indicates that the Certifying Officer has determined that this matter should be remanded for processing prior to a decision on the briefs that were submitted by the parties. The motion states that the Employer agrees with the position of the Certifying Officer and that counsel for the Certifying Officer consents to the filing of the motion.

Accordingly, it is hereby **ORDERED** that this matter be, and hereby is, **REMANDED** to the Certifying Officer for further processing.
