ORDER GRANTING MOTION TO REMAND

On March 23, 2009, the Certifying Officer (“the CO”) filed a motion requesting remand. Therein, the CO explained that, upon remand, he will grant temporary labor certification for 39 of the 40 workers sought by the Employer. The CO explained that he reduced the number because the Employer had hired one U.S. worker. On March 25, 2009, the Employer’s representative stated that his client does not object to the CO’s motion. In light of the foregoing, the CO’s motion is hereby **GRANTED**, and this matter is **REMANDED** to the CO. **SO ORDERED.**
