**ORDER GRANTING MOTION TO REMAND**

On March 9, 2009, the Certifying Officer (“the CO”) filed a motion requesting remand under 20 C.F.R. § 655.33(e)(3). Therein, the CO expressed a concern that he may not have given the Employer “an adequate opportunity to explain” issues raised in the CO’s review of the Employer’s application. The CO asserts that “the appropriate remedy is for the Board to remand the case to the CO in order to permit” him to issue a new request for information. During a March 10, 2009, telephone call, the Employer’s representative stated that his client does not oppose the motion. In light of the foregoing, the CO’s motion is hereby **GRANTED**, and this matter is **REMANDED** to the CO. **SO ORDERED.**
