**ORDER OF REMAND**

The Certifying Officer moved to remand to the agency for further processing of the employer's H-2B application. On August 20, 2015, I held a telephone conference in this matter.

Later, the parties, the Certifying Officer and her attorney reviewed the case, and determined that the employers' H-2B application for temporary labor certification should be remanded to the agency for additional processing. The employer's attorney was contacted and has no objection to the granting of this request. Accordingly, having been fully advised in these premises,

Complainant's Motion to Remand is **GRANTED**.

SO ORDERED
