*In the Matter of:*

**GREGORY A. DANN,  
LON A. FULLER, and  
THOMAS J. KOSCIK,**  
Complainants,

v.

**BECHTEL SAIC COMPANY, LLC, and  
BECHTEL NEVADA**  
Respondents.

**ORDER DENYING REQUEST FOR CONTINUANCE**

In a Revised Notice of Trial issued on May 11, 2005, the trial of the above-captioned matter was scheduled to commence in Las Vegas, Nevada on July 26, 2005. In a letter dated June 19, 2005, the counsel for the Complainants suggested that the trial be postponed until a later date. On June 23, 2005, counsel for Respondent Bechtel SAIC indicated that his client neither supports nor opposes the request. In contrast, on the same day the counsel for Bechtel Nevada filed a reply opposing any continuance.

The trial of this matter has already been postponed once and the Complainants' request for another continuance fails to set forth with sufficient specificity any reasons that would warrant a second trial postponement. Accordingly, the Complainants' request for another continuance is hereby denied.
